

Unnat Bharat Abhiyan 2021-2022 Report

Unnat Bharat Abhiyan is a flagship program of the ministry of human resource, government of India. Under this scheme, Alphonsa college has adopted five villages from the locality- Meenachi, Meenachil part, Ramapuram, Kadanadu and Bharanaganam. College has extensively worked for the upliftment of the rural areas of these villages as part of its social commitment. Several online as well as offline programs like webinars and donation activities were carried out.

NCC unit of Alphonso college in association with UBA cell offered several courses like communication skills, dance, cooking, music, craft, calligraphy, yoga and kalari during the academic year for the students and interested people of the adopted villages.

Department of clinical nutrition and dietetics in association with UBA Cell of the college organised a webinar on “ Importance of adolescent nutrition”. The talk was led by Prof. Swapna George, Head of the department of clinical nutrition and dietetics, Alphonsa college pala. The class was addressed for the students and parents of St. Joseph’s H S, Vilakkumadam, Meenachi village. More than 90 participants attended the session.

Online Painting Class in collaboration with Fevicyl

Online painting class was organised in association with Department of Physics and Fevicyl Pidilite India Ltd for the family members of staff and students of Alphonsa college as well as to the interested women entrepreneurs from the adopted villages of college under Unnat Bharat Abhiyan scheme.

Two classes on every alternate Saturdays of a month, were conducted in the online mode. The classes were handled by the Fevicyl expert painter Ms Navya Maliya. One hour demonstration session was followed by the submission of the art piece by the attendees. Once submission is made within five days, review was done by the Fevicyl expert trainer and a certificate was issued by Fevicyl. These classes were highly useful for the esthetic development of the attendees. It helped in the skill development and a flair for entrepreneurship among the young minds.
