The NSS unit of Alphonsa College Pala, deserves appreciation for their remarkable contributions to the "Save Meenachil River" project. Their systematic cleaning of the river and strategic planting of Bamboo and Attuvanchi (Willow-Leaved Water Croton) saplings along the riverbanks is a testament to their commitment to environmental conservation and sustainability. This initiative not only combats soil erosion effectively but also enhances the ecological health of the Meenachil River, ensuring its preservation for future generations. The foresight and diligence displayed by the NSS team in this project are truly commendable and set a laudable example of proactive ecological management.

## Certificate of Appreciation

The NSS unit of Alphonsa College Pala deserves appreciation for their commendable efforts in adopting and revitalizing the Kavalippuzha Beach in Meenachil River premises in Kidangoor Grama Panchayat. Your initiative to regularly clean the river premises and remove plastic waste has significantly contributed to preserving the river's natural beauty and health. Your efforts at the maintenance of the beach garden along the riverbank have enhanced the ecological balance and aesthetics of the area, providing a serene environment for the community.

The commitment displayed by your team reflects a profound sense of responsibility and an admirable commitment to environmental conservation. Your actions serve as a beacon of inspiration for others to follow and contribute positively to our world.
