FIRST WORD

Mahatma Gandhi University introduced the Centralised Allotment Process (CAP) in the academic year 2010–2011. Initially, admissions to PG programmes alone were managed through CAP; later, the system was extended to UG programmes as well.

The greatest advantage of CAP is that applicants are required to submit only a single online application for admission to any number of colleges/programmes. In this way, candidates are able to save valuable time, effort and money. Applicants can also track the status of their applications from time to time. Thus, CAP offers an excellent opportunity for candidates to choose the programme and college of their preference in a hassle-free manner.

The decisive factors governing allotment to a particular programme/college are the options submitted by the applicant, academic performance, and other socially determined norms applicable to admissions. Primarily, the marks/grades secured by a candidate at the Plus Two level determine eligibility for admission to UG programmes.

Under the pre-CAP system, applicants had to visit various institutions for submission of applications and maintain regular contact with colleges to obtain updates regarding the progress of the admission process. CAP, on the other hand, introduced a single-window system, thereby eliminating unnecessary expenditure of time, effort and money, while also considerably reducing the anxiety faced by applicants during the admission process.

The UG CAP Prospectus–2026 provides comprehensive information regarding the online allotment process, as well as details of colleges and programmes offered under the system.

Above all, the CAP team of the University remains readily accessible to provide technical assistance and guidance to aspiring candidates whenever required.

ATTENTION

The prospectuses issued in previous years shall not be valid for the year 2026. Candidates are required to go through the current prospectus carefully and acquaint themselves with all relevant information relating to the admission process. They are also requested to visit the official website of CAP, www.cap.mgu.ac.in, regularly for notifications and announcements.

This Prospectus sets out the rules and regulations governing selection and admission to the Four-Year Undergraduate Programmes (MGU-GP) in the affiliated Arts and Science Colleges of Mahatma Gandhi University for the academic year 2026–27 through the Centralised Allotment Process (CAP).

This Prospectus is subject to modification, addition or deletion, as may be deemed necessary by the University from time to time.

The entire process of allotment to the UG Programmes shall be carried out by the University. The University will not entertain any request for change in the dates fixed for the Centralised Allotment Process/Admission from time to time.

Candidates and affiliated institutions are also required to visit the website of the Centralised Allotment Process of the Mahatma Gandhi University - '<https://cap.mgu.ac.in>' regularly for notifications and announcements.
