PREFACE

Dear Reader,

In today's digital age, the internet has become an indispensable part of our lives. We use it for communication, education, work, entertainment, and much more. However, with the increasing use of the internet, there has also been a rise in cybercrimes and online threats. It is therefore essential for every internet user to be aware of cyber laws and online safety measures.

This book is designed to provide a comprehensive understanding of cyber laws and online safety for graduation students in Semester 1. It covers various topics, including the IT Act 2000, cybercrimes, Cyberbullying, online harassment, data protection, and privacy laws. The book also provides practical tips and advice on how to stay safe online.

I hope that this book will be helpful to students in understanding the legal and security aspects of cyberspace. I also hope that it will help them to become responsible digital citizens.

Sincerely,

Capt. Jobin Varghese P
Dr. Annu Paul

About Author(s)

Capt. Jobin Varghese P

Capt. Jobin Varghese P currently serves as an Associate Professor in Computer Applications in the Department of Computer Applications at Kuriakose Elias College, Mannanam. He embarked on his academic career in 2000 and has since been continuously contributing to the field of education.
